Description

£450,000

Rare opportunity to purchase a vacant two-storey building with a rear yard and small store, which falls under a separate address (29 Walton Road).

Previously occupied by a music school, the property would suit a variety of uses including therapy rooms, office space, studios, or similar businesses.

The ground floor measures approximately 330 sq ft. A side entrance door leads into a reception area, with a rear lobby providing access to the first floor via a staircase. To the rear of the ground floor there is an additional room, kitchen, and two WCs.

The first floor extends to approximately 577 sq ft and comprises three well-proportioned rooms to the front and two further rooms to the rear. There is also an additional kitchenette area and a further WC.

The rear yard measures approximately 667 sq ft, including access beneath the archway.

The premises may also offer potential for conversion, subject to the necessary planning consents.

We believe this opportunity will appeal to both investors and owner-occupiers
